Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the claims are allowable over the closest prior art to Hennig (US 4876311). Hennig teaches particles having a similar composition to those of the claimed invention but the reference fails to teach or suggest the claimed particle size distribution and minimum surface roughness. Furthermore, there is no teaching or motivation to one of ordinary skill in the art to modify Hennig so as to arrive at the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Holly Rickman whose telephone number is (571) 272-1514. The examiner can normally be reached on Monday-Friday 9:30-6:00.
